January 4th, 2011 8:57 pm MT

By **Hilarye Fuller**, Salt Lake City Destinations Travel Examiner

The [Curtis Hotel](#) is a great place to bring your family or your significant other when visiting Denver, Colorado. It is a hotel that is filled with both charm and vigor. Located right in the heart of [downtown Denver](#) within close proximity to Larimer Square and the 16th Street Mall, and is right across the street from the Performing Arts Center gives the [Curtis](#) a premier spot for nightlife and action.

You will love the eclectic mix of both modern and vintage features in this all things pop culture themed hotel. Every floor has a different persona and is brightly colored. It will take you back to a time where you explored hotels with earnest and excitement. Some features you will love are the books and board games available for checkout in the lobby, the warm cookie upon arrival, the wake-up calls from Elvis or Mr. T and the even better service and convenient valet parking.

Let's face it life can be boring sometimes but your vacations and get-a-ways don't have to be! Vacations should be anything but boring and at the Curtis you will be able to find something to excite all your senses.
